The City of Wollongong Eisteddfod has been operating since 1894
 We are a non profit organization offering incentives and encouragement to young performers.

We rely entirely on entry fees, our dedicated volunteers and the generosity of sponsors, to be able to operate and aid the children to pursue their studies in their creative arts.

Competitors are able to show their skills in Vocals, Instrumentals, Speech and Drama as well as all forms of Dance.

With the increase in competitors and increasing costs, we need your help to allow the children to perform before qualified adjudicators and in the best venues possible.
